Gabriele Groppo

Computer Science Student at Università degli studi di Milano-Bicocca

Internships

Software and Platform Engineer at Sigemi, Milano

SEP 2025 — DEC 2025

I am developing a tool to recommend Kubernetes architectural patterns to enhance cluster and deployment quality. Simultaneously, I am learning to write manifests to implement the platform engineering 'golden path' while working on my bachelor's thesis.

Education

Bachelor degree in Computer Science at University of Milan Bicocca, Milano

SEP 2022 — PRESENT
